SPECIAL ACKNOWLEDGEMENT!

On May 28, 1933, Mr. N. A. Miller, Wholesale Dahlia Specialist of 458 East 66th Street, Portland, Oregon, sent us by Express, 500 dahlia roots, 20 choice varieties, free, for distribution among outside dahlia growers, the blooms of which to be used in connection with our Flower Show. We were very thankful for the same, but unfortunately the blooms by reason of late shipment were not available for our September indoor show. However, this large donation of roots, all of which were received in pink of condition, is responsible to a very large extent for the dahlia enthusiasm in and around Chicago. —Managing Editor.

NOTE: The Dahlia roots that I offer are of the same high standard of quality as mentioned in the above acknowledgment and for which I have gained a reputation in the past 20 years.

SPECIAL NOTICE

GREEN PLANTS, will give you equally as good results as roots or tubers, if given immediate care upon arrival. Plants will be well packed to arrive in good condition, anywhere in U.S.A. Ready from May 1st to June 15th.
